

Trailing suction hopper dredger

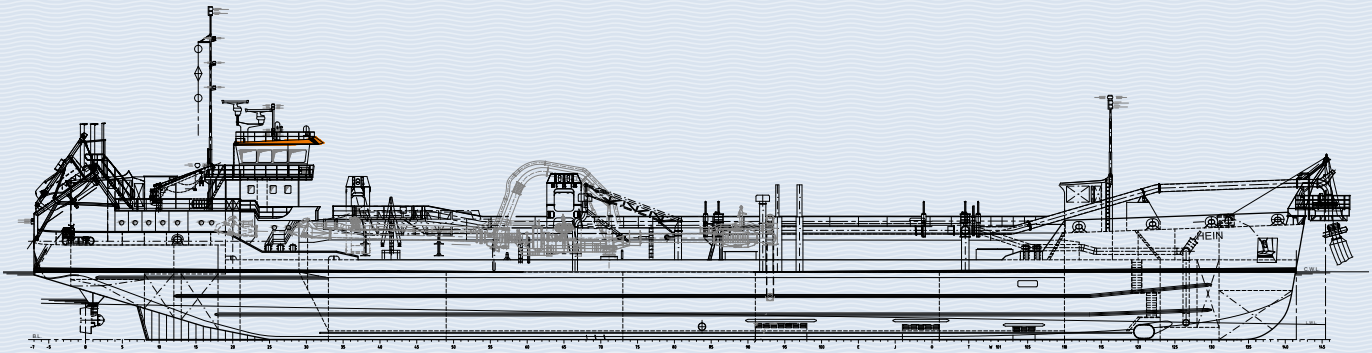

HEIN

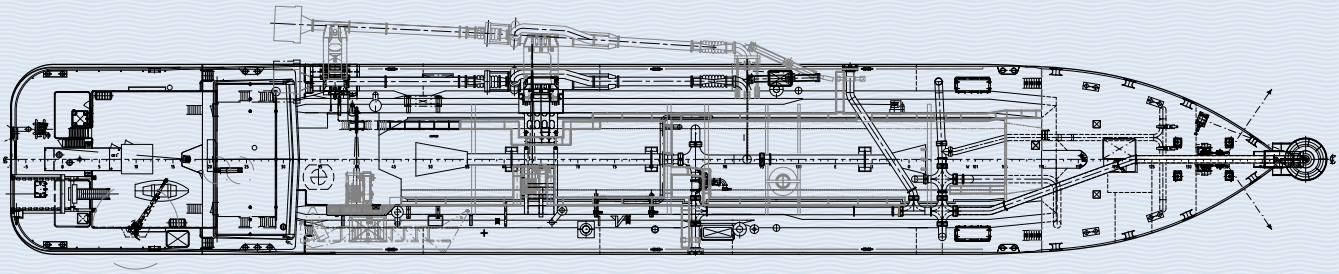

VAN DER KAMP

Trailing suction hopper dredger

HEIN

Lenght 1.1.:
98,81 metres

Length o.a.:
107,00 metres

Breadth:
15,47 metres

Draught:
6,00 metres

Hopper capacity:
3656 m^3

Suction pipe:
Ø 700 mm. electrically driven submerged pump, drive unit 1100 KW
maximum dredging depth 35 metres

Discharge system:
a. bottom slides
b. shore delivery units, maximum 3192 KW

Barge unloading system:
maximum 3192 KW

Propulsion:
2 thrusters, 1118 KW each

Speed:
empty 11 miles and loaded 10 miles/hour

Accommodation:
13 persons
